## Oakland Pet Adoption Center in Auburn Hills “stocks” 200 cats at Pet Supplies Plus store in White Lake for holiday adoption event Dec. 10-12

While many retailers may be limiting their holiday merchandise due to the economy, the [Pet Supplies Plus](#) store in White Lake, Michigan is stocking up big time on its order coming from [Oakland Pet Adoption Center](#) in Auburn Hills. The shipment isn't the latest pet toy or holiday pet treats, but 200 homeless cats and kittens all looking to win over someone's heart this holiday season and find loving permanent homes.

The 200 cats and kittens -- in every color and breed imaginable including purebreds, all spayed or neutered, examined by a licensed veterinarian and vaccinated -- will be available for adoption **December 10-12** at **Pet Supplies Plus** in White Lake as part of its annual Christmas open house. Adoption fees of \$59 per cat go to Oakland Pet Adoption Center. Adopters get a holiday goody bag for their new pet that includes cat food, toys and a gift card for a free wellness exam at [The Cat Practice](#), in Birmingham, Michigan.

In the past several years, the number of homeless pets in southeast Michigan has escalated due to economic troubles and the fact that many families being displaced cannot afford to keep their pets. As a result, the number of pets ending up at area shelters is at an all-time high.

“If you are considering bringing home a pet this holiday, make it a homeless pet from a shelter,” says store owner Addy Shattuck. “Many of these beautiful animals were someone's pet and they just happened to end up a victim of the economy. Cats make the most wonderful and loving pets. I should know – I have seven of them!”

Last year, **Pet Supplies Plus** put 100 cats up for adoption during the holidays. This year, given double the number of cats and kittens, the store is creating a special holiday adoption center in the adjacent 4,500- square-foot retail space with holiday decorations and a free-roaming area where cats and kittens can play and interact with prospective adopters. Use of the space is being donated by shopping center owner Richard Zoner who also owns [Farmer John's Greenhouse](#) in Farmington Hills.

“The 200 cats will be transported to **Pet Supplies Plus** in a caravan prior to the event,” said **Oakland Pet Adoption Center** manager Joanie Toole. “Our volunteers are very excited about this event and are looking forward to answering adopters' questions about our pets. We are hoping that by getting a large number of cats and kittens in front of families that many more will find loving homes for the holidays.”

Volunteers from **Oakland Pet Adoption Center** will be on hand to help adopters by providing information on each cat's or kitten's history, if available, and by talking to them about cat care.

**Hours for the holiday cat adoption event and Pet Supplies Plus Christmas open house are: 4 p.m. to 9 p.m. Friday, December 10; 10 a.m. to 9 p.m., Saturday, December 11; and 10 a.m. to 4 p.m., Sunday, December 12.** Shoppers will be treated to some great holiday specials on pet supplies, prize drawings and complimentary holiday refreshments. **Pet owners can get a picture with Santa and their pet from 10 a.m. to 4 p.m. on Sunday, December 12 by making a donation to Oakland Pet Adoption Center.**

## Opinion

# Meet Philip, My (Unplanned) Adopted Cat

I went with the intention of covering a pet adoption event, I ended up bringing home a kitten.

By [Brooke Meier](#) | [Email the author](#) | December 11, 2010

This weekend [Pet Supplies Plus](#) is holding its fifth annual Christmas Open House. The event runs Saturday from 10 a.m. to 8 p.m. and Sunday from 10 a.m. to 4 p.m.

The adoption event features 200 felines along with dogs and puppies.

I went to this event with the intention of putting together a short story about the need to provide homes for these animals. The plan was then having a nice dinner at [Leo's Coney Island](#) next door. So what happened? I fell in love with Philip, a 14-week old, five-pound, medium-haired kitten. He, along with the 200 other cats, needed a home and I knew I could give that to him.

Lauren Lonergan and her 8-year-old daughter Riley volunteer at the Pet Supplies Plus on M-59 every week and help take care of the cats. They were at the event, which kicked off Friday, helping people hold cats and taking care of the cages.

"We love being able to come and play with the kittens," Lonergan said.

Although now is a good time to adopt an animal, this isn't a decision that should be made in haste.

After conducting my interviews and getting photos, my fiance Brian and I sat down and discussed at length if we could take in another animal. Could we afford it? Will our dog and cat accept this new kitten? After spending a half hour going back and forth on the issue, we decided could give Philip a good home. After five minutes of paperwork, Philip was ours.

There's still time for you to get your own Philip. In addition to dogs and cats for adoption, there will be special savings on food and toys, prizes and refreshments. Sunday, pet owners can bring their pets and get pictures with Santa. All adoption fees and pictures with Santa donations will benefit the Oakland Pet Adoption Center.

All animals available for adoption have been health checked, vaccinated and spayed/neutered.

If you have the time, space and want for a family pet head to Pet Supplies Plus and see what is available.
