

Prevent Littering® for Earth Day helps owners get their dogs fixed

March 6, 8:16 AM · [Detroit Dogs Examiner](#) · Rev. Claudia Barber

Beginning March 1 and running through April, [Pet Supplies Plus](#) of Bloomfield Hills, Michigan is encouraging pet owners to be kind to the planet and Prevent Littering® by getting their dogs and cats spayed and neutered. From March 1 through April 16, the store has teamed up with [NOOTERS CLUB®](#) and [All About Animals Rescue](#) to sponsor Prevent Littering®, a promotion aimed at encouraging more pet owners to get their pets fixed to avoid unwanted litters.

During this time, pet owners who pre-pay can get their pet spayed or neutered on April 17 for only \$50 for dogs and \$30 for cats. Sterilizations at most veterinary hospitals can cost \$200 or more.

Eligible pets must be at least eight weeks old and will be transported from Pet Supplies Plus in Bloomfield Hills to the All About Animals Rescue spay and neuter clinic in Warren, Michigan on April 17 and returned to their owners later in the day. All About Animals Rescue runs the first full-time spay and neuter clinic in southeast Michigan offering high quality, high volume spays and neuters performed by licensed veterinarians.

With each pre-paid spay or neuter, pet owners will receive a free Prevent Littering® cotton canvas shopping bag, courtesy of NOOTERS CLUB®, filled with discount coupons and free samples from Pet Supplies Plus. NOOTERS CLUB®, based in Sylvan Lake, Michigan, designs and sells a variety of whimsical apparel and gifts promoting pet spay and neuter with a part of its proceeds going to rescue organizations. *(Taken directly from the [NOOTERS CLUB press release.](#))*
