

Pet Supplies Plus bags it up

Shoppers at Pet Supplies Plus stores in Bloomfield Hills, White Lake Township and Canton will get 20 percent off their pet supplies when they buy a new Prevent Littering tote. The totes (\$10) were designed by Nooters Club of Bloomfield, and feature a clever reminder to be kind to the environment and get pets spayed or neutered. One dollar from each bag will benefit the Oakland Pet Fund Spay/Neuter Fund. For more information, visit www.petsuppliesplus.com or www.nootersclub.org.
