

## **Metro Detroit Nooters Club® promotes pet spay & neuter with whimsical cartoons, apparel**

The wide-eyed dog, cat and rabbit with the capital O's as eyes provide a comical twist on a serious message that the Michigan-based Nooters Club® hopes will inspire pet owners to get their pets fixed and save millions of lives each year. The company, which sells t-shirts, sleep shirts, boxers, tote bags and other apparel and gifts will be in booth 612 at Michigan Family Pet Expo Friday, November 20 through Sunday, November 22, 2009 at Rock Financial Showplace in Novi, Michigan.
