ONLINE SHOPPING BENEFITS SPAY/NEUTER PROGRAMS

April 1, 2008

Heaven Can Wait Sanctuary has joined forces with Nooters Club, a national provider of pet-lover apparel and gifts, to help raise money for its Las Vegas Valley pet spay/neuter program.

Through the affiliation, Heaven Can Wait will receive 15 percent of sales of Nooters Club merchandise that originates from the group's Web site, www.hcws.org. Visitors to the Heaven Can Wait site simply need to click on a specially designed link that will take them to Nooters Club's online store, where purchases will be logged.

"Heaven Can Wait Sanctuary is delighted to be affiliated with Nooters Club," said Nicole Dutt-Roberts, president of the organization. "We share the goal of promoting spay and neuter and working toward no more homeless pets in our community. We hope a lot of people will buy Nooters Club items and support our efforts here in Las Vegas."
