Prevent Littering® for Earth Day with low-cost pet spay/neuter (Pet Supplies Plus® in Bloomfield Hills)

Date: 2010-02-18, 12:33PM EST

Reply to: event-n6pqw-1606608625@craigslist.org [\[Errors when replying to ads?\]](#)

In honor of Earth Day (April 22), Pet Supplies Plus® of Bloomfield Hills, Michigan is encouraging pet owners to be kind to the planet and Prevent Littering® by getting their dogs and cats spayed and neutered.

From March 1 through April 16, the store has teamed up with Nooters Club® and All About Animals Rescue to sponsor Prevent Littering®, a promotion aimed at encouraging more pet owners to get their pets fixed to avoid unwanted litters. During this time, pet owners who pre-pay can get their pet spayed or neutered on April 17 for only \$50 for dogs and \$30 for cats. The procedures can cost \$200 or more at most veterinary hospitals.

Eligible pets must be at least eight weeks old and will be transported from Pet Supplies Plus® in Bloomfield Hills to the All About Animals Rescue spay and neuter clinic in Warren, Michigan on April 17 and returned to their owners later in the day. All About Animals Rescue runs the first full-time spay and neuter clinic in southeast Michigan offering high quality, high volume spays and neuters performed by licensed veterinarians (allaboutanimalsrescue.org).

With each pre-paid spay or neuter, pet owners will receive a free Prevent Littering® cotton canvas shopping bag courtesy of Nooters Club® filled with discount coupons and free samples from Pet Supplies Plus®. Nooters Club®, based in Sylvan Lake, Michigan, designs and sells a variety of whimsical apparel and gifts promoting pet spay and neuter with a part of its proceeds going to rescue organizations (nootersclub.org).

In Michigan, hundreds of thousands of healthy dogs, cats and other pets are euthanized each year simply because there is not enough room for them at shelters. Animal rescue groups agree that making spay and neuter more accessible to pet owners is the key to reducing pet overpopulation.

“Pet owners need to recognize that they can be part of the solution in reducing pet overpopulation,” said Addy Shattuck, owner of Pet Supplies Plus® in Bloomfield Hills. “One unintended litter can produce hundreds if not thousands of unwanted pets that often do not find homes. What better time than Earth Day to remind pet owners what they can do to help stop this cycle.”

Besides helping to reduce the population of unwanted pets, spay and neuter also offers many health and behavioral benefits to pets. Pets that are fixed live longer lives, avoid the possibility of getting some cancers, are more affectionate, less aggressive and make overall better pets.

“Getting your pet fixed shows that you care about your animal and want it to live a long, happy life,” said Amber Sitko, founder of All About Animals Rescue. “Pets that are fixed are less likely to experience serious health problems down the road. They are also less likely to stray from home which means fewer injuries and accidents.”

Pet Supplies Plus® in Bloomfield Hills is at 2057 Telegraph Rd., north of Square Lake Rd. For more information about registering your pet in the Prevent Littering® promotion, go to nootersclub.org or call 248-333-7545.

Prevent Littering ® is a registered trademark of Nooters Club® and Nooterwear, inc.

“Prevent Littering” and Go Green With Pet Supplies “Plus” and the Nooters Club!

Animal lovers in Oakland County now have a new way to “Prevent Littering” and Go Green -

Pet Supplies “Plus” and Nooters Club Apparel and Gifts have teamed up to offer a new canvas shopping tote bag to remind people to stop pet overpopulation and to replace plastic grocery bags with reusable, environmentally-friendly tote bags. The tote bags, made of sturdy, natural-colored cotton canvas, have the Nooters Club logo and the phrase “Prevent Littering” surrounded by cartoon puppies or kittens and are designed to create awareness of pet overpopulation and preventing unwanted litters. They also make excellent shopping totes, making the effort to reduce the number of plastic shopping bags that fill U.S. landfills every year easier – and a lot more stylish. The bags are available in either a dog or cat design for \$10 each with \$1 of every purchase going towards the Oakland Pet Fund Spay/Neuter Fund. Additionally, when a customer purchases a “Prevent Littering” tote bag, Pet Supplies “Plus” is offering 20 percent off the total purchase. Each year, thousands of pets in Oakland County and 65 percent of all animals that end up in shelters nationwide are destroyed due to pet overpopulation. Nooters Club designs and produces t-shirts and gifts that take a whimsical approach with the very important task of alerting responsible pet owners to the benefits of having their pets spayed and neutered to “Prevent Littering,” thereby ending the needless suffering of so many unwanted animals. Spaying and neutering pets have other benefits, as well – fixed pets are healthier, live longer, are more sociable and have fewer behavioral and temperamental problems than those who haven’t been fixed.

“Responsible pet ownership is the first step in preventing pet overpopulation and Pet Supplies „Plus“ is excited to join with the Nooters Club in making people aware of the benefits of spaying and neutering their pets,” said Addy Murphy, owner of Pet Supplies “Plus” in White Lake Township. “Our „Prevent Littering“ tote bag promotion is a great way to not only help stress the importance of reducing pet overpopulation but also in reducing the number of disposable plastic bags littering our environment.”

For more information, contact the participating Pet Supplies “Plus” locations: 2057

Telegraph Road, Bloomfield Hills, 248-333-7545; 6845 Highland Road, White Lake Township, 248-889-4131; 8020 Cooley Lake Road, White Lake Township, 248-360-1400; 43665 Ford Road, Canton, 734-981-9191. # # #
