Spay Michigan

Do you have a pet? Male dogs and cats that are not fixed often mark their territory. Females go into heat. Get your dog or cat fixed the low-cost way with SPAY MICHIGAN. SPAY MICHIGAN can help you find low-cost spay and neuter for your dog or cat. Get your pet fixed and prevent unwanted puppies and kittens. Spay Michigan is a NEW HOTLINE for pet owners to locate LOW-COST spay and neuter services. The economy has taken its toll on pets – many pet owners cannot afford veterinary care – plus the number of abandoned pets is rising. This hotline will put pet owners in touch with low-cost resources around the state! The hotline is featured on a special NOOTERS CLUB t-shirt that is being sold with all proceeds going to All About Animals Rescue – sponsors of Spay Michigan.
